

JAN'S ANIMAL RESCUE TO DISCONTINUE OPERATIONS IN THE FALL OF 2024

With a heavy heart and great sadness, Jan's Animal Rescue announces the closure of our rescue in the coming months. We will no longer intake any dogs to be rehomed.

We want to thank our many supporters for providing loving homes for our dogs, for helping us with financial donations, volunteering and fostering, and for sharing our Facebook posts to increase our pets' visibility. Thanks to your help, we placed over 625 dogs in their forever homes, many of which would have otherwise been euthanized.

This has been my passion for many years, and it's very difficult to stop. But until residents of Guilford County – and all of North Carolina – spay and neuter all of their dogs, the over-population will continue to overcrowd our local shelters and rescues. If someone wants to spay or neuter their dog (or cat), but have financial problems, please contact Guilford County Animal Services for help.

With heartfelt thanks for your support,

Jan Grafton, President
